

PHOTO DAY SCHEDULE

Held at the dance studio: May 7th-9th, 2024

Photo days with Aviva Studios will be held at the dance studio on: **Tuesday May 7th, Wednesday May 8th, and Thursday May 9th**. Please see photo schedules below for your specific photo day(s) & time(s).

****Please Note: There will be NO regular dance classes held during these dates for Tier 2, Tier 3 & Tier 4****

*** ALL Monday and Friday classes will run as normal***

It is optional to purchase the photos but mandatory that all dancers attend, as it would be very disappointing to the other team members to be missing someone from the group photo. There are several order options including **Digital File options as well as print**. We will be sending out the order form closer to photo day!

All cheques are to be made payable to: Aviva Studios and returned with order form on the actual photo day.

Hair instructions for photo days are the same as what is stated on your hair & make-up notices, unless otherwise stated by your instructor for those dancers in several photos that will not have time to change hairstyles. Light make-up is recommended. No stage make-up is required for photos. **We ask that dancers come prepared, change rooms will only be available to dancers with multiple dances. Please NO spectators during the photo shoot due to the small time frame for each group and high volume of dancers.** ****Please make sure to be ready 10 minutes prior to your photo time.** Due to the short time frame allotted for each group, we will not be able to wait for late dancers. Thank you!

SOLOISTS OR DUETS If you are looking to purchase a solo or duet photo in your solo/duet costume you can wear your solo/duet costume to your group time slot that matches the discipline of your solo and or duet. Your solo/duet costume photo will be used for the individual portion of the dance Memory Mate and your group costume photo will be used in the group portion of the dance Memory Mate. If you choose this option, the individual photo will be taken prior to the group photo of that discipline (i.e. Jazz solo will be taken during the Jazz group time slot), so please wear your solo/duet costume first and then you will have to quickly change into your group costume for the group portion of the Memory Mate.
