

THE VILLAGE DANCE ACADEMY

IN-HOUSE
FESTIVAL

FRIDAY, MARCH 8TH

THE INTENTION

This event aims to offer our dancers the chance to showcase their skills and creativity by performing their solo, duo, or trio to a live audience and a professional adjudicator. This pre-competition season event is designed to help our dancers gain experience, build confidence, and receive constructive feedback from experts in the field. Our focus is on fostering positivity, inspiration, and encouragement for all participants.

IT TAKES A VILLAGE.

THE VISION

Studio Mother will be transformed into a black box theatre. You can expect curtains, lighting, haze and seating for family and friends. Admission is FREE of charge, but we will be collecting new baby items for Mamas for Mamas Karma Market if you feel called to donate.

She hails from the commercial dance industry of Los Angeles, where she toured with renowned artists like Britney Spears, Paul McCartney, Justin Timberlake, and Carrie Underwood, to name a few.
