

A woman in a white leotard and tutu is shown floating underwater, her body and tutu mirrored below her. The scene is set in a dark, blue-green water environment, creating a dreamlike and ethereal atmosphere. The woman's arms are extended, and her legs are bent in a graceful pose. The lighting is soft, highlighting the texture of the tutu and the contours of her body.

Flowers for Foundry

Be sure to check out the flower sales going on in the lobby!
All proceeds will be donated to **Foundry Kelowna** in support of our communities youth mental health services. Thank you, Bylands Nursery!

To our grads... It has been an honour to watch you grow as dancers and humans. We wish you the best of luck on your future endeavours and will always be cheering for you from the wings. You will always have a home and a family at The Village.

We love you and we will miss you dearly!

and last but not least... YOU!

We couldn't do what we love to do without your support!
We thank you for trusting us with your dancers and for believing in our vision!

It takes a village.
